Final Note by the Minister for Education and Public Health

Subject— Enhanced scale of pay to Mrs. Lakshmi P. Krishnappa, Organizing Secretary, Indian Red Cross Society of the Mysore State Branch

---

With the gracious approval of His Highness, Mrs. Lakshmi P. Krishnappa who was working in the Education Department was appointed in the Government Order dated 1st May 1944 as Organizing Secretary of the Indian Red Cross Society of the Mysore State Branch on a pay of Rs.300/- per mensem and she joined duty on 24th April 1944. On her representation dated 23rd June 1944 for the grant of enhanced pay, she was informed that it was too early to consider her request. She again represents on 6th May 1946 that she has now put in 2 years of service as Organizing Secretary and that, during this period, she has tried to make the State Branch popular by enrolling annual and life members in large numbers and by organizing a Red Cross Week in the Bangalore City, and that, in addition to her legitimate duties, she has also been attending to some of the work connected with the Mysore State Women's Conference and Girl Guide Movement during her tours in the State and requests, therefore, that she may be granted the following:-

(1) a grade pay of Rs.500-50-800,
(2) a conveyance allowance of Rs.75/- per mensem,
(3) house rent of Rs.50/- per mensem, and
(4) the benefit of 33.1/3% increase in T.A. & D.A.

It is proposed to grant her a graded scale of Rs.300-30-450 and to fix her pay at Rs.330/- per mensem in this grade in view of her stagnation on Rs.300/- for over two years.

The Dewan and the other Ministers agree to the above proposal and I solicit the gracious sanction of His Highness to the same.

At the meeting of the Executive Committee held on the 31st March 1945, it was decided that a conveyance allowance of Rs.50/- per mensem may be recommended to the Government to be granted to me. I may be permitted to state that my work requires intensive going about within the City of Bangalore which necessitates the use of a car daily, the maintenance of which alone involves a heavy expenditure. I therefore request that the conveyance allowance of Rs.50/- recommended may kindly be granted with retrospective effect from the date of purchasing the Car (i.e. from the month of July 1944).

SUBMITTED:-

Government were pleased in their Order No. M. 1924-5 Med. 94-43-3 dated 1st May 1944 to appoint me as Organizing Secretary of the Indian Red Cross Society, Mysore State Branch, on a pay of Rs 300/-, and I reported myself for duty on the 24th May 1944. The duties of the Organizing Secretary include the development of Maternity and Child Welfare in District and Taluk Headquarters and in all large villages, the formation of a net work of Red Cross Branches in important, organization of Membership campaigns and Health on Baby Weeks, Inspection of Maternity and Child Welfare Centres which have received or receiving grants from Red Cross etc., keeping an eye on the collections of subscriptions from individuals, Village Panchayets and Municipalities, etc., As I found, that the pay given to me for the work was not adequate for the efficient discharge of the duties of the post, I submitted a representation to the Dewan on 23-6-1944 as per his kind personal instructions, for enhancing my pay suitably to which I later received an endorsement No. M. 2044-Med. dated 15th September 1944 from the Secretary to Government, Educational Department, intimating that it was too early to consider my request. Since then, I have put in a service of a year and four months as Organizing Secretary and pray that my request may be favourably considered now.

I beg to submit that since I took charge of the Office as Secretary, I have made the activities of the Society more popular and has been able to put the existing centres on a satisfactory working order, inspite of the several handicaps, such as want of a suitable building for

the

P.T.O.

the Office, in-adequacy of the Travelling Allowance allowed etc.. One of the main duties of the Society is to tour in the State for not less than 18 days in a month for the purpose of visiting and guiding the work of the centres which are as many as 56 and which are situated in the different parts of the State. I need hardly say that more work has to be done in the interior villages by mixing freely with the women folk so as to awaken in them a desire for improving their health ~~and~~ the sanitation of their surrounding, care and training of children etc. All this involves intensive touring and hard work which cannot be satisfactorily done unless one possesses a good conveyance. Even in Headquarters the duties of the Office involves constant moving about and keeping in touch with several Associations and persons interested in social and public activity. On assuming the charge of my duties as Organizing Secretary, I had to purchase and maintain a Car in the best interest of the work, which in these days is very costly and tells hard on my pay.

I further beg to submit that a number of new centres have been opened and the work of the Red Cross has assumed greater importance and usefulness.

With the limited convenience I could command, I have been trying my best to do justice to the present post.

I may also be permitted to bring to your kind notice that as the Deputy Chief Warden, A. R. P., Mysore, during the anxious years 1942-43, I took special pains in arranging the women section of the A. R. P. there when several other ladies in service ~~in~~ excused themselves and put it on such efficient working order that both in its numerical

strength

strength and quality of its work turned out, it stood second to none amongst all the provincial branches, So much so that the Hon'ble Minister of Education was pleased to mention at the Conference of the National War Front held at Bangalore on 30th August 1944 that my work had been reported to Government for special appreciation (Vide page 4 of the printed speech).

In consideration of the above facts and circumstances, I request that I may kindly be given a special grade and my pay suitably raised.

As regards the Fixed Travelling Allowance of Rs 120/- for 18 days touring attached to the post, I beg to state that the amount was fixed 7 years ago in 1938in i G.O. No 2600-2Med. 356-37-16 dated 16th September 1938 (Copy enclosed), prior to the War with the stipulation that the touring period should not be less than 18 days in a month to draw the full Travelling Allowance of Rs 120/-. But, in these days of abnormal inflation the same Fixed Travelling Allowance is hardly sufficient for adequate travelling. The benefit of the Government Order enhancing the Travelling Allowance to 33 1/3% in the case of Government Officers has not been given effect to me either. This has been a further handicap. I sould therefore request that the Fixed Travelling Allowance may also be kindly raised to Rs 180/- so that the necessary amount of touring may be done.

Submitted:

I had made an application No. 321 dated 4.5.44. soon after I took charge of this post as the Organizing Secretary that considering the executive nature of the work involved necessitating the maintenance of a car, the pay of Rs.300/- given to me while my services were being lent to the I.R.C.S., Go. No. M 1924-5/M94-43-341-5 was very insufficient (1) I had requested that I might be put on a higher pay; I was then informed that it was too early to consider the case.

In No. 939.14.9/45 I resubmitted an application which is before Government.

I beg to place the following additional few facts for your kind and sympathetic consideration.

(2) It is two years since I have been working as the Organizing Secretary during which time I have discharged my duties to the satisfaction of the Executive Committee and the Chairmen of the Mysore State Branch under whom I have been serving. I have put the affairs of the Secy.'s office into sound working order and have increased the interest of the District branches in the welfare work. Have enlisted a good many annual and life members. I had occasion to organize the Red Cross week and work to the entire satisfaction of the Sub Committee appointed under the Chairmanship of Lady Thumboo Chetty and collected a sum of nearly Rs.11,000/- in that connection and thus augment the resources of the State Branch. I have cooperated fully with the activities of the State War Fund Committee and have from time to time diverted donations towards it. I was also

in charge of the Ladies camp of the Olympics and earned the appreciation of the delegates and the visitors as well as the members of the Olympic City Committee.

In addition to my duties, I have also been co-operating with the State Women's Conference and the Girl Guide State Council in acting as their organizing Secretary and Touring Commissioner and securing the cause of women and children throughout the State.

During all these two years I have been working without any increase of pay or receipt of increments. As things stand I have nothing to look forward to inspite of the fact that I have been put to disproportionate expenses and great inconvenience. I therefore request that I may kindly be given a higher grade of Rs.500-50-800 to enable me to discharge my duties more efficiently.

(3) My work as the Organizing Secretary requires maintenance of a car and I request that I might be kindly given a car allowance of Rs.75/- p.m. I take this opportunity of bringing to your kind notice that the T.A. rates fixed for my touring is of 1938 and in these days of difficult travelling and increased rates of transport, it has hit me very hard and I have therefore not been able to tour as extensively as I should. I have not even had the benefit of the G.O.No.74/333-93-S.W.A 57-44-2 dt 10-10-44 sanctioning 33-1/3 per cent increase in T.A. & D.A.

In this connection, I wish to submit that Secretaries of the various State and Provincial Branches draw much more as pay and are further given better conveniences like free quarters and con-

conveyance allowance in addition to the T.A. and D.A. drawn while on tour. Details substantiating these facts from Madras & the Punjab Branches have been submitted for kind information.

In request that, in consideration of my stagnation on Rs.300/- for the last two years, the heavy and varied duties I have been attending to satisfactorily, the costliness of travelling, and the high cost of living of the present day, I request that I may kindly be given -

(1) a graded pay of Rs.500-50-800,

(2) conveyance allowance of Rs.75/- p.m.,

(3) house rent of Rs.50/- p.m.,

(4) benefit of 33-1/3 per cent increase in T.A.and D.A.
